Calm down. Don't shake it to hard...
Right Brain
Left Brain
She's draining the boiling water from the pasta.
トプ トプ
It's OK! Don't panic!
だば
Don't go too fast. Be careful not to get burned
Scientific Basis: The boiling water killed all the germs in the sink, so it's remarkably sterile.
Good! So good!
Everyone's smiles were protected for another day.
